AUGUST 2018

Greetings

Message from the Grand Master

This time of the year is always a quiet period for the Grand Chapter of Melbourne but the Supreme Council, still meets every third Wednesday of the month to run the business of the Confraternity.

The next function of the Grand Chapter of Melbourne is on Sunday 25 November, 2018 when we are organizing a Fund Raising Luncheon to help the drought-stricken farmers in Australia.

Helping those in need to find bread on the table is not always people of under privileged countries but also people in countries such as Australia.

People who are finding it hard to survive because of the lack of rain to help them keep their stock or crop alive.

We need to pray for the rain to come to the farmers and help them survive.

During this time of the year, we also get some invitations to take part in religious festivities, such as the feast of Our Lady of Tears organized by the committee of Siracusa and the feast of St. Padre Pio.

Every chapter should get involved in its local diocese and take part in some celebrations in the church, especially the feast of St. Peter and Paul.

You don't need to wear the mantle to take part, even just the medal, like they do in the Grand Chapter of Malta.

It is best to stand up and be counted like St. Peter and Paul: Meaning you need to be seen and heard in your church and your community.

Grand Chapter of Germany

Grand Prior Chevalier Peter Michael Neuen and
Dame Gabrielle Neuen.

The Grand Prior Chevalier Peter Michael Neuen and Dame Gabrielle Neuen, are planning to send items to support a school of around 280 children with writing and office material in Ghana.

A school where the government is only able to pay the wages of the teachers.

This is a nice gesture by the Grand Chapter of Germany.

The main objective of the Grand Prior Chevalier Peter Michael Neuen and Dame Gabrielle Neuen is to have close contact with the Catholic Church in Germany. Their aim is to be heard and known by Cardinal Reinhard Marx.

New Members for the Grand Chapter of Germany

In the meeting of the Supreme Council of 6 August, 2018, two new knights were approved for the Grand Chapter of Germany.

Richard Bollo born in Hungary and Leopold Fasching of Austria are the new knights of Grace for the Grand Chapter of Germany.

New Members for the Grand Chapter of Kentucky

Congratulations to all.

Dame Stephanie Arnold,

IMPORTANT INFORMATION

Since that most of the members don't respond to our messages, we came to the conclusion that they are not interested in the Confraternity.

In the next meeting of the Supreme Council, it will be decided that in the future, only nominations from established chapters will be considered and no new chapters will be established.

This will eliminate a lot of wasted time, energy and cost to the Confraternity.

I hope that you all understand the situation.

This will stop people, who are only interested in titles and medals from joining our respected Confraternity.

This is all I have for you this month.

I hope that you enjoy reading the information that we have for you.

God bless you in St/ Peter and Paul.

With every good wish.
