Blessings of the Lord God.

Greetings one and all,

This year that is coming to an end like the one before it, was mainly about the pandemic, the restrictions that we had to follow to stay safe and keep others safe too. This year we had the opportunity to celebrate the feast of St. Peter and St. Paul but we missed out on celebrating with a Lunch and Dance by just three days before another strict lockdown.

This year we lost four members of the Confraternity, the Deputy Grand Master Chevalier Professor José Ferreira Coelho of Portugal, Dame Marlene Muscat of Malta, Dame Maria Colombo of Melbourne and Chevalier Shalimo Nikolay Petrovich of Belarus. We keep them in our prayers. May they rest in peace.

We pray that the new year brings an end to the pandemic so we can continue with our mission to help those who are less fortunate than ourselves.

God bless you all.  
God bless the Confraternity of the Knights of St. Peter & St. Paul.

## **TURNING THE PAGE FROM 2021 TO 2022**

Chaplain of the Confraternity  
Chapter of Portugal

New year, new life is one of those set phrases, a “cliché” used by many people at every end of the year. It expresses a wish for that new life to actually happen from the change of calendar. It seems that the love and peace, which emanate from the nativity scene, hit every heart, even the most closed or indifferent to faith.

The days which end 2021 and those which begin the New Year become propitious for a review of life, with dreams and hope for a better future. They are a favourable time for love, for sharing what we have and, even more, what we are. They are an opportune occasion to give and receive forgiveness, an essential condition for those who desire a free heart and, consequently, a new life in the coming year. They are days to thank God for all the benefits he has bestowed on us during the year that is ending; and, supported by the signs of his love, an opportunity to find the strength to welcome the new year full of hope.

The pandemic that is ravaging us has left us many painful marks, but also moments of prayer, reflection and greater understanding of the divine mystery: as God loves us and watches over us, so we too are invited to give meaning to Christian love and to take care of our neighbour with care, whether family or otherwise.

Happy 2022 with the Lord's blessings.

*P. Manuel Martins, C.M.*

Grand Prior

As you know this year has been very difficult, however besides bringing bread etc to some needy families we were able to make up two baskets full of food and gifts to give to an organization run by young people who distributed it to the needy young families.

We pray that we will continue to be like St Peter and St Paul serving with love.

May the Birth of our Lord Jesus Christ renew in us the love and care for one another.

God Bless

## Chapter of Portugal

By Chevalier Fr. Paulo do Carmo

John 1:14 And the Word became flesh, and dwelt among us, and we saw his glory, as the glory of the Only Begotten of the Father, full of grace and truth.

Dear family and friends, may our heart be the Grotto of Bethlehem, where the Savior wants to be born again. Although conditioned by this pandemic, we can never lose the hope that comes to us from Jesus. Let us celebrate with joy such a Divine Message

### Natal 2021

*"E o Verbo fez-Se carne e habitou entre nós. Nós vimos a sua Glória, Glória que lhe vem do Pai como Filho Unigênito, cheio de graça e de verdade" (Jo 1,14)*

Queridos familiares e amigos, que o nosso coração seja a Gruta de Belém, onde o Salvador quer nascer de novo.

Ainda que condicionados por esta pandemia, jamais podemos perder a esperança que nos vem de Jesus.

Celebremos, com alegria,  
tão Divina Mensagem.

***Santo e Feliz Natal e  
um Abençoado Ano de 2022***
